

Hawaiian Volcano Observatory 2013 Volcano Awareness Month—At-a-Glance

Talks at the University of Hawaii at Hilo ■ 7:00 p.m.

University Classroom Building (UCB), Room 100

Map to UCB (Bldg. 301) http://hilo.hawaii.edu/images/maps/main_campus_map.pdf

More information: askHVO@usgs.gov or (808) 967-8844.

Thursdays

January 3 **30th Anniversary of Kīlauea Volcano's East Rift Eruption**

Tim Orr, USGS Hawaiian Volcano Observatory

January 10 **Looking for Lava in All the Wrong Places— and Finding It in Some**

Don Swanson, USGS Hawaiian Volcano Observatory

January 17 **Pelehonuamea, Volcanism**

Pualani Kanaka'ole Kanahale, Edith Kanaka'ole Foundation and
Hawai'i Community College

January 24 **Mauna Loa: How Well Do You Know the Volcano in Your Backyard?**

Frank Trusdell, USGS Hawaiian Volcano Observatory

January 31 **Snowballs from Kīlauea?**

Ken Hon, University of Hawai'i at Hilo Geology Department

USGS Fact Sheets by HVO scientists (available online):

**The Ongoing Pu'u 'Ō'ō
Eruption of Kīlauea
Volcano, Hawai'i—30
Years of Eruptive Activity**
